POOL/SPA SAFETY RULES

✓ Checklist

- 1) Never swim alone
- 2) No running or rough housing
- 3) Stay away from drains
- 4) Tie long hair back while swimming
- 5) Designate a Water Watcher
- 6) Pool should be gated with a 4ft or higher fence, with self-closing and latching gate
- 7) After swimming make sure gate is closed and latched or the cover replaced
- 8) Make sure no chairs or other climbable object is near the fence
- 9) Have phone nearby for emergencies
- 10) Keep a flotation device or pole handy for rescues

Its Your Job to Keep Me Safe!
